

Request for 4-H Membership Across County Lines

Note: This form is to be submitted by all youth who wish to be 4-H members in any county other than the county where they live.

Steps to follow:

1. Provide all requested information. Do not leave anything blank.
2. Send completed form to the county Extension Office in which 4-H membership is being requested (County of Request)
3. The 4-H Educator in your County of Residence and the County of Request will review the request. Ohio 4-H policy/procedure states that any request motivated by perceived competitive or sale advantage, any change due to controversial issues, or other similar motivations will automatically be rejected. There must be a 4-H program in both counties (i.e. requests cannot be made as a result of a failed levy or as a result of the Extension Office closing in a county due to lack of funding)
4. The 4-H Educator in the County of Request will respond to you with a joint decision.
