“News You Can Use” Committee Report

From the President

The Greater Montgomery County Master Gardener Association wishes to congratulate Dottie Cyr on becoming the Association's newest Emeritus honoree. Dottie certified in 1998 and reached 750 landmark hours in 2010 and added another 192.5 hours prior to December 2016. Dottie has participated in 148 hours of continuing education during her active years as a master gardener. In the early years of the Association, Dottie worked closely with other members to offer horticultural classes to the community as well as to help expand projects for the growing membership. In addition, Dottie contributed many hours at Cox Arboretum propagating herbs in the greenhouse for spring planting, maintained the herbal beds during the growing season, and presented many programs opened to the public on how to use herbs. Later, Dottie was very involved in the edible landscaping project. Dottie was a constant in our organization who could always be relied on to do whatever was asked of her. We thank Dottie for her dedication and commitment to the Association and welcome her to our Emeritus status.

Janet Hickey
GMCMGA President
