Announcement

The Greater Montgomery County Master Gardener Association wishes to congratulate Diane Harm on becoming the Association's newest Emeritus honoree.

Diane volunteered more than 1426 service hours and participated in 161.5 continuing education hours since she certified in 2003. Over the years, Diane has been a guiding influence in making the Association a better organization. Her dependability went well beyond expectations as an Executive Committee member, a Program Committee co-chair from 2010 through 2014, and a team player on the Program Committee. As a leader, Diane helped coordinate activities and worked alongside many other dedicated master gardener volunteers and VA volunteers to make the VA Grotto, Gardens, and Arboretum a historic landmark. Diane will always be remembered for the lovely artwork she so generously offered for Banquet invitations and Grotto thank you notes and calendars. We thank Diane for her dedication and commitment to the community and to our Association and welcome her to Emeritus status.

Janet Hickey, President
